For over three decades, the Vicky Noon Education Foundation has supported more than **230 exceptional Noon Scholars** in pursuing world-class education at Oxford and Cambridge.

Vicky Noon dreamed of building a community of scholars who would return to Pakistan and contribute to the nation's development and the wellbeing of its people. We aim to renew that mission by strengthening our alumni network and empowering future scholars to follow in these distinguished footsteps.

Join us for a reunion with members of the new Noon Scholars Society (NSS). Speakers will include renowned journalist **Peter Osborne**, as well as VNEF Chair **Dr Paul Flather** and British High Commissioner to Pakistan **Jane Marriott**.

Our last major events in Pakistan were in 2006, when we marked our 100th award. With more than twice that number now, it is the perfect moment to reconnect, renew friendships, and celebrate our shared journey.
